Council Report

March 4, 2013

Riverside Skating Center closed last evening after a successful winter season. Following the delayed opening after warmer than normal fall weather, a total of 12,997 people were able to enjoy "getting on the ice" this winter.

The 2nd and 3rd Grade Basketball Program at Cumberland Elementary School was enjoyed by 88 children from mid-October to mid-February.

Thanks to Purdue Communications students for again receiving a grant to develop and print new educational posters for the six kiosks along the trails network. Ten new posters will be installed in the kiosks this spring.

Work continues to proceed toward spring completion on development of the new Parks and Recreation Office in the former temporary fire station space at 1101 Kalberer Road (the building in the north part of Cumberland Park) and on the ADA improvements at the Municipal Pool.

Emma Neill retired from her regular part-time office assistant position in the Parks and Recreation Office. Thanks, Emma, for 21 years of service to the public!

The next Park Board meeting will be March 18th at 4:30 PM in City Hall.
