President, Purdue University

CC: Steve Schultz, Legal Counsel, Purdue University

RE: Designation as Member of Interlocal Joint Board

DATE: May 12, 2016

Pursuant to section 4.A. of the Interlocal Cooperation Agreement between City of West Lafayette and The Trustees of Purdue University dated March 12, 2014, you are hereby appointed to serve as one of the three Purdue University representatives on the Joint Board created under such agreement, to fill the vacancy created by the recent resignation of Abby K. Daniels. You will serve in this capacity at the discretion of the President and until your successor is duly appointed and qualified.

This delegation is made with the understanding that you may, as and when the need arises from time to time, appoint a designee of your choice to attend meetings of the Joint Board on your behalf and participate in its proceedings in your stead as a representative of the University. It is further understood that neither the appointment to, nor the duties of, the Joint Board will reduce your ordinary functions and duties to the University, and you will not receive any additional compensation by virtue of this delegation.
