*The West Lafayette Go Greener Commission promotes environmental health in our community for present and future generations. The commission gathers and disseminates information; plans and promotes practical initiatives and public policies; and measures, monitors, and reports on our community's progress toward sustainability.*

Please mark your areas of top interest:

- Energy Efficiency and Alternative Energy
- Natural Resource Stewardship (urban forestry, river and water quality, brownfields...)
- Stormwater Management
- Recycling and Environmental Purchasing
- Smart Transit (Multi-modal, alternative transportation...)
- Community Gardens and Local Food
- Climate Change Policy
- Public Outreach and Events
- Other \_\_\_\_\_

Please describe how your experiences, training, research or interests will contribute to the West Lafayette Go Greener Commission:

*As a graduate researcher focusing on soil conservation and management I have a passion for ecologically sound natural resource management strategies that contribute to increased overall environmental health. I hope to contribute to the Go Greener Commission by donating my time and passion to enhance our West Lafayette community. Additionally, as a member of the Purdue Graduate Student Government, I hope to act as a link between the Purdue graduate student body and the Go Greener Commission.*
