**REMARKS:** Dave – I have attached the 3 WOs we spoke of over the last couple of weeks. The fees are hourly and if the tasks are trimmed you don't pay. W.O. #5 captures a significant portion of the outreach and education portion of the program. Also, I have included some of our weekly meetings in the WOs. We can speak about these when I am back in the office or you can contact Andrea Paul or Ed Bukovac at 317.633.4120 while I am out.

Thank you for the work David.
