

## MSA QUOTE

Please quote the following CBRN 2007 NFPA compliant SCBA's and optional items for the West Lafayette Fire Department. Please call 765-714-4567 (Tony) or 765-775-5177 (Chief) with any questions.

The quote format should be three sections. Section 1 should be labeled, "SCBA Base" and include the airpack, facepieces, and spare bottles. Section 2 should be labeled, "R.I.T. Packs". Section 3 should contain an itemized listing of the prices for each of the optional items and be labeled "Options". The Scott quote will need an additional section labeled, "Cross-Contamination Regulators".

Prices should include delivery and verification by a certified technician that the equipment is ready to be placed in service. Additionally, initial training for each of our shifts (3 days) should be included as part of the base quote. Specify a date of delivery, include your warranty terms, and availability of loaner equipment during repairs.

Quotes need to be delivered before 8:30 AM local time on Monday July 13, 2009 to the Clerk-Treasurer, West Lafayette City Hall, 609 W. Navajo St., West Lafayette, IN 47906. They must be in a sealed envelope and clearly marked on the front with, "SCBA quote" and will be opened during the regularly scheduled Board of Works meeting at 8:30 AM on July 13<sup>th</sup>.

Quantity	Items and Description
