Jane-

I do not have a map made of the entire route. The only changes to the route itself are; it will begin at 10th and Main St. and end at Brown and Roebuck Dr. in West Lafayette. Other than those two changes the route is the same as far as I know. I have cc'd Kurt Wolf @ LPD incase I am off on this. Please add Kurt to your email list for the parade stuff as we need to keep him and LPD in the loop on this. His email address is kawolf@lafayette.in.gov

What I do have attached is the Road Closure Map for the Staging area that just shows the roads that need to be closed and parking areas that need to be restricted for the Staging area. The second attachment shows the flow through the staging area and what direction the entries need to face.

Let me know if you need further,

Martin R. Webb
