The following specifications will be strictly adhered to:

1. The quote price per gallon of delivered gasoline must indicate whether or not State and Federal taxes are included.
2. State the following:
 - a. Base price for fuel.
 - b. Transportation cost.

- c. Driver's fee.
 - d. Percentage of margin.
3. Price changes to the dealer must be substantiated, should changes in delivery become necessary.
 4. One (1) sample calculation similar to, or the same as, invoice procedure to be used by the vendor must be submitted.
 5. The Federal excise tax on gasoline must be paid by the vendor, who shall be responsible for applying for a refund.
 6. Low bid may be established by a weighted average of the prices of the various fuels.
 7. Supplier must state octane or cetane for all fuels, and, if applicable, state percentage of blend in diesel fuels (e.g., 20% virgin soy, 80% petroleum).
 - Also lubricates level is to be stated, along with any other additives.
 - List credit incentives available.

The City does not have tank capacity to accept transport delivery.

Specifications and bid forms are available at the office of the Clerk-Treasurer and at the Street Dept., 705 S. River Rd., West Lafayette, phone 775-5242.

Each bidder will submit a bid upon State Board of Accounts Form No. 95, (Revised 1987), with the non-collusion affidavit properly executed. The bid must be accompanied by a bidders bond or certified check of not less than 5% of the total bid made in favor of the City of West Lafayette, Indiana. A certified check shall be filed with each bid by a bidder not having his principal place of business in Indiana. Each bid should be submitted in a sealed envelope marked "City Fuel Bid."

The Board of Public Works and Safety expressly reserves the right to reject any and/or all bids and waive irregularities of bidding.
