

RESOLUTION NO. BW 04-10

A RESOLUTION SETTING THE FEES FOR COMMERCIAL GREASE
HAULERS DELIVERING WASTE TO THE WASTEWATER
TREATMENT PLANT

Recitals

WHEREAS, the West Lafayette City Code (Chapter 30 Article IX Section 30.09.15.3), empowers the Board of Public Works and Safety to determine rates, charges, and fees for hauled wastes delivered to the wastewater treatment plant; and

WHEREAS, the West Lafayette City Code (Chapter 30 Article IX Section 30.08.5), allows the wastewater treatment plant to accept wastes from licensed commercial waste haulers; and

WHEREAS, the City of West Lafayette's wastewater plant now possesses the technological capability to derive energy from certain types of waste, and this energy significantly defrays the City's costs in purchasing electricity.

Resolution

Be it resolved by the West Lafayette Board of Public Works and Safety that the fee for fats, oil, and grease (FOG) delivered by commercial haulers to the wastewater treatment plant is set at \$0.10 per gallon.
