

PERSONNEL COMMITTEE REPORT

June 2010

Retirement

After nearly 21 years of service to the City of West Lafayette and its citizens, Betty Maxwell retired on June 30 as Administrative Assistant to the Wastewater Treatment Utility. Betty has witnessed many changes and upgrades to the Utility during the course of her career. We wish her a very happy retirement. A search is underway to find her replacement.

New Hire

Cody Armes is a welcome new addition to the Street and Sanitation Department, starting work on May 25th as a Driver/Collector/Processor.
