Grant,

Attached is our revised and signed SF424 showing the actual grant amount of \$399,019. Since the difference in this amount is only \$9.00 more than what is in our submitted 2011 action plan based on an estimate of \$399,010, please allow this email to suffice as an amendment to reflect the \$9 being added to the curb, sidewalk, ADA ramp project.

Please let me know if you need anything further.

Dale

Subject: Impact of 2011 Grant Amount

Dale,

As soon as possible, please execute an amended SF-424 with the 2011 grant amount, and send them to me via email. Also, please review your Strategic Plan to determine whether the change in the amount of the award will require West Lafayette to complete a substantial amendment to its Action Plan submission. If the change does not rise to the level of a substantial amendment, please let me know how your plan is affected by the reduction, so I can modify our office copy of the Action Plan. I plan to have my initial review of the submission completed tomorrow.
