RE: July 2011 Monthly Report

During the month of July, the West Lafayette Police Department received **1826 calls for service**, a decrease of 195 calls (10%) from June, and an increase of 330 calls (22%) from July 2010.

In late July, WLPD investigated an armed robbery that occurred adjacent to the Purdue University Campus on S. Grant St. With the assistance of PUPD and LPD, WLPD detectives identified and subsequently arrested two suspects for the robbery. The property stolen from the victims was recovered during the course of the investigation.

WLPD conducted two medicine drop off / drug take back events during July. Over 90 lbs. of medications were taken in for disposal from over 40 citizens. The drop off program continues to have these levels of medications collected monthly for proper disposal for our community.

Also in late July, the Neighborhood Resource Team strategically placed large trailer type roll off dumpsters throughout the New Chauncey Neighborhood to assist residents and students with the trash challenge associated with the annual summer move out. The NRT will continue this new program thru mid August and will monitor and adjust the program as needed.
