

# **PERSONNEL COMMITTEE REPORT**

**February 2012**

## **New Hire**

Jennifer Thompson was hired as a Probationary Patrol Dispatcher for the Police Department on February 10. She has worked for the City in dispatch on a part-time basis since last October. Her previous experience as a communications officer for the Tippecanoe County Sheriff's Department as well as having been a Lafayette Police Officer, makes her a very welcome addition to the Department.

## **Elevations in Rank**

The Police Merit Commission approved two promotions in the Police Department and a "Pinning Ceremony" was held in their honor on February 14 in the Council Chambers. Congratulations to Lt. Gary Sparger who was elevated to the rank of Captain and to Sgt. John Watson who was elevated to the rank of Lieutenant.
