Attn: Board of Public Works and Safety

Re: Bid Review
Soldiers Home Lift Station Improvements

Dear Board of Public Works and Safety:

HWC Engineering has reviewed the bids received on April 3, 2012 for the above referenced project. Our review indicates that the four proposals submitted and read, were complete and in accordance with the specifications. A certified tabulation of the bid results is enclosed.

The low bidder is Graves Plumbing Company out of Switz City, Indiana, with a lump sum bid amount of \$636,636.00. Graves Plumbing has many years of experience in municipal water and wastewater projects. HWC Engineering has had other projects completed by Graves Plumbing, which have been finished in a timely and professional manner. It is our opinion that Graves Plumbing is responsive and responsible to complete the proposed work.

If the City would like to award the project to Graves Plumbing, please execute three (3) copies of the enclosed Notice of Award. One of the signed copies is for your records. Please mail one of the other copies to Graves Plumbing to the attention of Andrew Graves. Please mail the final copy to HWC Engineering to the attention of Matthew Pierce.

If the Board of Public Works and Safety has any questions regarding the above, please feel free to give us a call.

Sincerely,

Matthew J. Pierce, P.E.
Project Manager
