**Yeager Rd.:** Milestone Contractors has done a great job on Yeager Road and deserves a big thank you for all the hard work and quality of construction to bring the project to completion two months ahead of schedule. The only item left to complete is the planting of trees, which will be done in the fall.

**2012 Street Resurfacing:** Rieth- Riley has completed the 2012 resurfacing project. We would also like to thank them for a job well done.
