The principal of this Bond is payable at the office of U.S. Bank National Association, as trustee (the "Trustee"), in Indianapolis, Indiana, or at the principal office of any successor trustee. Each registered owner of \$2,500,000 or more in principal amount of Bonds shall be entitled to receive interest payments by wire transfer by providing written wire instructions to the Trustee before the Record Date for such payment.

This Bond is one of the Issuer's Taxable Economic Development Revenue Bonds, Series 2012 (Metro FiberNet Project) (hereinbefore and hereinafter the "Bonds") which are being issued under the hereinafter described Indenture in the aggregate principal amount of \$2,500,000. The Bonds are being issued for the purpose of providing funds to finance a portion of the cost of the construction by Metro FiberNet LLC (the "Company") of facilities to

house electronics and to install fiber optic cable that will provide high speed internet, telephone and television services for the City of West Lafayette, Indiana, located within the Allocation Area as established by the Redevelopment Commission (the "Projects") by providing such funds to the Company pursuant to the Financing Agreement, dated as of December 1, 2012 (the "Financing Agreement") between the Company and the Issuer, which prescribes the terms and conditions under which the Company shall use such proceeds for the Projects.

The Bonds are issued under and entitled to the security of a Trust Indenture dated as of December 1, 2012 (hereinafter referred to as the "Indenture") duly executed and delivered by the Issuer to U.S. Bank National Association, as trustee (the term "Trustee" where used herein referring to said Trustee or its successors), pursuant to which Indenture, the TIF Revenues (as defined in the Indenture) are pledged and assigned by the Issuer to the Trustee as security for the Bonds. The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Indiana, particularly Indiana Code, Title 36, Article 7, Chapters 11.9 and 12 (the "Act"), and by appropriate action duly taken by the Issuer which authorizes the execution and delivery of the Indenture. The Bonds have been issued in conformity with the provisions, restrictions and limitations of the Act.

The West Lafayette Redevelopment Commission (the "Redevelopment Commission") has pledged the TIF Revenues (as defined in the Indenture) to the payment of the Bonds.

The Bonds are issuable in registered form without coupons in the denominations of \$1,000 or integral multiples thereof. This Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the principal office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

The Bonds are redeemable at the option of the Issuer at the direction of the Company on any date, upon fifteen (15) days' notice, in whole or in part, in order of maturity determined by Issuer and by lot within maturities, at face value, plus accrued interest to the date fixed for redemption.

<u>Date</u>	<u>Amount</u>
-------------	---------------

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail not less than fifteen (15) days nor more than thirty (30) days prior to the date fixed for redemption to the Registered Owner of the Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein with respect to any registered Bond, shall not affect the validity of any proceedings for the redemption of other Bonds.

All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

**The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from the TIF Revenues pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on this Bond. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or the Indenture shall be deemed to be a covenant or agreement of any member, director, officer, agent, attorney or**

The holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. Modifications or alterations of the Indenture, or of any supplements thereto, may be made to the extent and in the circumstances permitted by the Indenture.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the laws of the State of Indiana and under the Indenture precedent to and in the issuance of this Bond exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

- (3) Such other documents as shall be required by bond counsel or the Issuer.

The proceeds of the Bonds shall be paid over to the Trustee and deposited to the Project Fund as hereinafter provided under Section 3.1 hereof.

Section 2.8. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, then, in the absence of notice to the Trustee that such Certificate has been acquired by a bona fide purchaser, the Issuer, through the Trustee, may execute and the Trustee may authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee; together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued pursuant to this Section 2.8 shall be deemed part of the original series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.9. Registration and Exchange of Bonds: Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the Bonds as provided in this Indenture to be kept by the Trustee which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered Bond without coupons of any denomination shall constitute full and due

authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Bond. The costs of such transfer or exchange shall be borne by the Issuer. The Trustee shall not be required to transfer or exchange any fully registered Bond during the period between the Record Date and any interest payment date of such Bond, nor to transfer or exchange any Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered Bond without coupons, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

### REVENUE AND FUNDS

Section 4.1. Source of Payment of the Bonds. The Bonds herein authorized and all payments to be made by the Issuer hereunder are not general obligations of the Issuer but are limited obligations payable solely from the TIF Revenues pledged and assigned for their payment in accordance with the Indenture. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of any member, director, officer, agent, attorney or employee of the Issuer in his or her individual capacity, and no member, director, officer, agent, attorney, or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

The Redevelopment Commission has pledged the TIF Revenues to the payment of the Bonds.

Section 4.2. Bond Fund.

(a) The Trustee shall establish and maintain, so long as any of the Bonds are outstanding, a separate fund to be known as the “City of West Lafayette, Indiana—Metro FiberNet Project Bond Fund” (the “Bond Fund”). Money in the Bond Fund shall be applied as provided in this Section 4.2.

(b) There shall be deposited in the Bond Fund, as and when received, all of the TIF Revenues available, first to pay any interest due and outstanding, and then to pay as much principal as possible due on the Bonds on the next February 1 or August 1, plus Trustee fees coming due within the next six (6) months with respect to the Bonds. The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be paid to Trustee for deposit in the Bond Fund for its account, all of the revenues and receipts derived from the TIF Revenues, promptly to meet and pay the principal of and interest on the Bonds as the same become due and payable together with such Trustee fees. Nothing herein should be construed as requiring the Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund, funds from any source other than receipts derived from the TIF Revenues.

(c) The Clerk-Treasurer of the Issuer shall set aside immediately upon receipt the TIF Revenues into the Allocation Fund and transfer such TIF Revenues to the Trustee for application in accordance with this Indenture. The Trustee is hereby directed to deposit the TIF Revenues into the Bond Fund in the manner prescribed in this Section 4.2 and in Section 4.4. Subject to the provisions below and to any applicable representations, warranties and covenants contained in the Indenture or the Financing Agreement, disbursements from the Project Fund shall be made only to pay (or to reimburse the Company for payment of) costs of the Projects, as the case may be, as follows:

(1) Costs incurred directly or indirectly for or in connection with the acquisition, construction, expansion, equipping, installation or improvement of the Projects, as the case may be, including: costs incurred with respect to preliminary planning and studies; architectural, legal, engineering, accounting, consulting, supervisory and other services; labor, services and materials; and recording of documents and title work;

(4) Any other incidental and necessary costs, expenses, fees and charges relating to the acquisition, construction, expansion, equipping, installation or improvement of the Projects, as the case may be.

Promptly after the proceeds from the sale of the Bonds are deposited into the Project Fund, the Trustee shall pay the Costs of Issuance from such funds.

Any further disbursements from the Project Fund described above to pay such fees, costs or expenses or to reimburse the Company for the payment of such fees, costs or expenses, other than Costs of Issuance, shall be made by the Trustee only upon the written order of the Company. Each such written order shall be in the form of the disbursement request attached hereto as Exhibit A and shall be consecutively numbered and accompanied by invoices or other appropriate documentation supporting the payments or reimbursements requested.

(b) The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested by the Company or the Issuer, the Trustee shall file copies of the records pertaining to the Project Fund and all disbursements from such fund with the Issuer and the Company.

## ARTICLE V.

### REDEMPTION OF BONDS BEFORE MATURITY

Section 5.1. Redemption Dates and Prices--Optional Redemption. The Bonds are redeemable at the option of the Issuer at the direction of the Company on any date, upon fifteen (15) days' notice, in whole or in part, in order of maturity determined by Issuer and by lot within maturities, at face value, plus accrued interest to the date fixed for redemption.

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

Section 5.2. Notice of Redemption. In the case of redemption of Bonds pursuant to Section 5.1 hereof, notice of the call for any such redemption identifying the Bonds, or portions of fully registered Bonds, to be redeemed shall be given by mailing a copy of the redemption notice by first class mail not less than fifteen (15) days nor more than thirty (30) days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books. Such notice of redemption shall specify, in the event of a partial redemption, the Bond numbers and called amounts of each Bond, the redemption date, redemption price, interest rate, maturity date and the name and address of the Trustee; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Bond shall not affect the validity of any proceedings for the redemption of other Bonds.

On and after the redemption date specified in the aforesaid notice, such Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders thereof shall have the right only to receive the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Section 5.3. Cancellation. All Bonds which have been redeemed in whole shall be canceled and cremated or otherwise destroyed by the Trustee and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the Issuer.

Section 5.4. Redemption Payments. Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Trustee upon any Bond until such Bond shall

have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.8 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

Section 5.5. Partial Redemption of Bonds. If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. The Trustee shall call for redemption in accordance with the foregoing provisions as many Bonds or portions thereof as will, as nearly as practicable; exhaust the moneys available therefor.

If less than the entire principal amount of any registered Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the owner of such registered Bond shall forthwith surrender such Bond to the Trustee in exchange for (a) payment of the redemption price of, plus accrued interest on the principal amount called for redemption and (b) a new Bond or Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Bond, which shall be issued without charge therefor.

### GENERAL COVENANTS

Section 6.1. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof. The principal of and interest on the Bonds are payable solely and only from the TIF Revenues, which payments are specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are special limited obligations of the Issuer and are payable solely and only from the TIF Revenues pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds, Company Notes or the Indenture shall be deemed to be a covenant or agreement of any member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission or the Issuer in his or her individual capacity, and no member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, pledge the TIF Revenues in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

Section 6.3. Filing of Indenture and Security Instruments. The Issuer shall cause this Indenture and all supplements thereto as well as such other security instruments,

financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder.

Section 6.4. List of Bondholders. The Trustee will keep on file at the principal office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.5. Rights Under Financing Agreement. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Financing Agreement (except the rights reserved to the Issuer therein) for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.6. Investment of Funds. With respect to any moneys held by the Trustee under any Fund established hereunder, the Company and the Issuer agree that all moneys in the Project Fund established by this Indenture may, at the written direction of the Company, be invested in Qualified Investments, and all moneys in any other Fund established by this Indenture may, at the written direction of the Issuer, be invested in Qualified Investments to the extent permitted by law. In the absence of such direction from the Company or Issuer, as the case may be, the Trustee is hereby directed by the Issuer to invest such amounts in investments meeting the requirements of clause (ii) of the definition of Qualified Investments. With respect to any moneys held by the Issuer under any Fund established by this Indenture, the Issuer may invest such moneys in Qualified Investments as it deems appropriate. Investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys to pay the principal of and interest on the Bonds by redemption or otherwise. All income derived from the investment of moneys on deposit in such Fund shall be deposited in or credited to and any loss resulting from such investment will be charged to the corresponding Fund from which such investment was made.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for investments. Neither the Trustee nor the Issuer shall be liable or responsible for any loss resulting from any investment. All such investments shall be held by or under the control of the Trustee or the Issuer, as applicable, and any income resulting therefrom shall be applied in the manner specified in this Indenture.

Section 6.7. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds for four (4) years without liability for interest thereon; for the benefit of the holder of such Bond, who

shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within four (4) years after the date on which the same shall become due shall be repaid by Trustee to the Issuer and thereafter Bondholders shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid.

(End of Article VI)

## ARTICLE VII.

### DEFAULTS AND REMEDIES

Section 7.1. Events of Default. Each of the following events is hereby declared an “event of default,” that is to say, if

(a) payment of any amount payable on the Bonds shall not be made when the same is due and payable; or

(b) any event of default as defined in Section 6.1 of the Financing Agreement shall occur and be continuing; or

(c) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder; or

(d) the Issuer shall fail to apply collected TIF Revenues as required by Article 4 of this Indenture.

Section 7.2. Remedies: Rights of Bondholders.

(i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of and interest on the Bonds then outstanding, and to enforce any obligations of the Issuer hereunder.

(ii) Upon the occurrence of an event of default, and if directed so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

(iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.

(v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.3. Right of Bondholders to Direct Proceedings. The Requisite Bondholders shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.4. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereof, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to the Issuer or to whomsoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the

holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.5. Remedies Vested In Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.4 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.6. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the Requisite Bondholders shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.7. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8. Waivers of Events of Default. ## ARTICLE VIII.

### THE TRUSTEE

Section 8.1. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Financing Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Financing Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such

authority or consent is the owner of any Bonds, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Projects, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any Bonds or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates,

opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) Before taking any action under this Section 8.1 the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(l) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(m) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

Section 8.2. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services and, in the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith (including without limitation attorney's fees and expenses); provided that if such extraordinary services or extraordinary expenses are occasioned by the gross negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest on or principal of any Bond for the foregoing advances, fees, costs and expenses incurred.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the reasonable judgment of the Trustee and its counsel has a

substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 8.1(k), shall do so if requested in writing by the Requisite Bondholders. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or Bank, having a reported capital and surplus of not less than Fifty Million Dollars (\$50,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and

thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

#### Section 9.2. Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of supplemental indentures covered by Section 9.1 hereof, and subject to the terms and provisions contained in this Section, and not otherwise, the Requisite Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided however, that nothing in this section contained shall permit or be construed as permitting (except as otherwise permitted in this Indenture) (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate or extension of the time of paying of interest on, any Bonds, without the consent of the holder of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any sinking fund applicable to any Bonds without the consent of the holders of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate principal amount of Bonds the holders of

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such supplemental indenture. ## ARTICLE XI.

- (a) all fees and expenses of the Trustee shall have been paid;

- (c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Issuer, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be.

Section 11.2. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Trustee, to the persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.3. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the Issuer shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing

any such agent and of the ownership of Bonds; if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a Bank, Bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bonds until the Trustee shall have received notice in writing to the contrary.

Section 11.4. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.5. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect: the remaining portions of this Indenture, or any part thereof.
