Projects:

Northwestern Avenue Corridor Improvements Project: This project is currently underway and expected to be completed by October 2013. Milestone Contractors has successfully completed the first two phases of construction, and the new curbs and storm sewers are complete as well. Construction will continue on new street lights, trail, sidewalk and new signalized intersection and Northwestern Avenue and Lindberg Road. For alternate routes within the city, please see the map on the City's website under the road construction tab.

CDBG Sidewalk and Curb Improvements: Construction activities are complete on Maple and Lutz Streets. Construction is currently underway on new sidewalks, curbs and ramps on 1st and 2nd Streets, between Russell and University Streets.
