In Re: Interlocal Agreement to Purchase Traffic Counters

Dear Mayor Dennis:

Enclosed are copies of the proposed Resolution and Interlocal Agreement between the City of West Lafayette, the City of Lafayette, Tippecanoe County, and the Area Plan Commission of Tippecanoe County. I am filing this for consideration at the Council's December 2, 2013 meeting.

The Interlocal Agreement will authorize our office to purchase requested traffic counting equipment for all three jurisdictions using 80% Federal funds. The City of West Lafayette's participation in the agreement would be for 20% of its portion of the total (including freight) or \$862.30. The document itemizing each jurisdiction's purchase request and financial share is enclosed.

I would appreciate your consideration and adoption of the Resolution permitting this Interlocal Agreement to be signed by the named parties. If there are any questions, please contact me.

When the resolution has been adopted by all parties, I will hand-carry the final document to each signator and return a copy of the completed and recorded document to all parties.

Sincerely,

Sallie Dell Fahey
Executive Director
