Projects:

- Cumberland Ave. Reconstruction, Ph. 3: Water line relocation will start up again in the spring. Milestone Contractors switched traffic to the newly constructed median lanes to finish phase 1 work. They contractor will now install storm water structures and piping to begin phase 2 construction. This phase of construction includes reconstruction of the outside portion of the eastbound roadway, including new storm water infrastructure. The contractor will also try to install some westbound storm water infrastructure as weather permits. Parking along Cumberland is restricted during this time.
- Happy Hollow Reconstruction: The contract was awarded to Rieth Riley Construction with a low bid of \$5,937,070.00. INDOT has awarded the notice to proceed. Utility relocations have been completed. The start date appears to be early spring, 2015, but will not be established until the preconstruction meeting is held. The preconstruction meeting has not currently been set.
