RE: January 2015 Monthly Report

During the month of January the West Lafayette Police Department received **2,196 calls for service**, an increase of 253 calls (13%) from December 2014, and a decrease of 340 calls (13%) from January 2014.

Detectives from the West Lafayette Police Department initiated a theft investigation into a chain of twenty restaurants that spanned the course of several years, multiple counties and eventually encompassed multiple law enforcement agencies across the state. In January, three owners of the restaurants were charged with multiple counts of theft for failing to report \$22.7M in sales, thus shorting sales tax submissions to the Indiana Department of Revenue. The West Lafayette Police Station continues to be the base of operation for the multi-jurisdictional team of investigators that continue to investigate this large theft case.

The WLPD will again offer a Citizens Police Academy. The ten-week program will familiarize participants with police procedures, tactics and operations. The Citizens Police Academy will be held at the West Lafayette Police Station on Wednesday evenings from 6 pm – 9 pm, March 4 through May 13 with the exception of Spring Break, March 18. Interested citizens should visit the department's web site and/or contact Sgt. Cindy Marion at [camarion@westlafayettepd.us](mailto:camarion@westlafayettepd.us).
