AQUATICS

City Municipal Pool

(Located behind Happy Hollow School)

Come on in, the water's fine! We offer a wonderfully wet schedule to help cool the summer heat! Recreational swimming is offered daily throughout the summer. Look for our brightly colored flag, located by the front of the tennis courts. When the pool is open the flag will be flying. The pool hours are subject to change due to weather and low attendance.

- Children 12 and under must be accompanied by a responsible adult. All patrons are urged to read the rules which are posted at the pool.

- No Floats! For safety reasons, floatation devices are not allowed in the West Lafayette Municipal Pool except in the smaller wading pool, medium size pool, and by people with disabilities. The "No Flotation Device" policy is enforced because over-dependence on the reliability of floatation devices can be dangerous to the less-experienced swimmer. While the policy does not apply to the wading or medium sized pool, parents and guardians are strongly encouraged to watch their children at all times while they are in any of the pools. The only exception to the flotation device ban in the regular swimming pool is for individuals with disabilities. The West Lafayette Parks & Recreation Department will also make any other accommodations that may be necessary for individuals with disabilities to ensure enjoyment of our facilities & programs.

## International Folk Dance

Beginning and continuing level folk dances will be taught in two separate classes on Saturday. Beginning will focus on repetition and understanding the basics. Beginning level includes dances from Europe, the Mediterranean area, and a variety of other areas. Continuing will focus on more challenging dances/step combinations from Europe, the Balkans, the Mediterranean areas and more. A new dance will be taught each week and students will be able to review and request their favorite dances. In both classes, there will be a focus on good exercise, socialization and fun!
