# West Lafayette Parks & Recreation FOUNDATION

**Our Mission:** *"The West Lafayette Parks & Recreation Foundation was established to solicit, receive, and provide funds and/or property, and to receive gifts, benefits, and memorials for securing, maintaining, and informing the public about facilities and programs for West Lafayette Parks & Recreation."*

There is a way to ensure that our children and all future generations will continue to enjoy the parks and open spaces that enhance the quality of life in West Lafayette. Municipal funding priorities change from year to year. Imagine no open spaces, no trees and shrubbery growing on public lands, or no place to simply enjoy nature. The West Lafayette Parks & Recreation Foundation is a way to keep greenspaces a priority in our community.

Individuals may memorialize a family estate through a donation to the foundation. Owners of unique properties can protect the integrity of their land by donating it so that future generations may appreciate it as well.

For more information on the Foundation, you can write to the Board:
