RE: December 2014 Monthly Report

During the month of December the West Lafayette Police Department received **1,943 calls for service**, a decrease of 368 calls (16%) from November, and an increase of 60 calls (3%) from December 2013.

The West Lafayette Police Narcotics Unit wrapped up a two month drug investigation in December. The investigation culminated with a search warrant execution in the 100 block of E. Stadium Ave. where anabolic steroids and a large quantity of marijuana were seized. The investigation resulted in the arrest of one suspect for charges of dealing and possessing a controlled substance and marijuana.

Cpt. Sparger spoke to a large group of international students at the Purdue Village this past month about the department's efforts to maintain strong police & community relations, specifically with our student residents. Cpt. Sparger welcomed the group and highlighted many services that our city and our department provide for our community.

In early December, officers conducted the annual Shop with a Cop event at the West Lafayette Walmart. Over thirty needy children from our community shopped for necessities and gifts with our officers and a merry time was had by all who participated.

Respectfully submitted,
