Projects:

- Cumberland Ave. Reconstruction, Ph. 3: Water line relocation is ongoing. Milestone Contractors is currently installing storm water structures and piping as part of Phase 2. This phase of construction includes reconstruction of the outside portion of the eastbound roadway, including new storm water infrastructure. The contractor is also installing some westbound storm water infrastructure as weather permits. Parking along Cumberland is restricted during this time.
- Happy Hollow Reconstruction: The contract was awarded to Rieth Riley Construction with a low bid of \$5,937,070.00. INDOT has given the notice to proceed. Utility relocations have been completed. The start date appears to be early spring, 2015, but will not be established until the preconstruction meeting is held. The preconstruction meeting has not currently been set.
- Northwestern Ave. Safety Improvements, Ph. 4: This project is currently in design to be completed during the summer / fall of 2015. It will include safety improvements on Northwestern Avenue from Cherry Lane to Dodge Street and from Grant Street to North Street.

Lindberg Avenue Reconstruction: Lindberg Ave. is currently in the preliminary design phase for reconstruction in 2016. Survey work has begun.
