RE: Surplus Items

I request permission to declare eight ballistic vests as surplus. The eight vests range in age from nine to twenty years old. Due to the age of the vests, they are no longer safe for deployment or have value within the department.

The vests will be donated to the Department of Aeronautics and Astronautics at Purdue. They do various tests on bulletproof vests to develop a non-destructive evaluation method through the whole life of the vests.

Respectfully submitted,

  
Chris Leroux  
Deputy Chief
