West Lafayette Police Merit Commission Members

FR: Chief Jason Dombkowski

RE: May 2015 Monthly Report

During the month of May the West Lafayette Police Department received **2,512 calls for service**, an increase of 36 calls (1%) from April, and an increase of 59 calls (2%) from May 2014.

This past weekend, patrol officers arrested two suspects for Burglary and Theft in connection with several recent vehicle break-ins and a residential burglary in the University Farm Neighborhood. The WLPD was assisted by the sheriff's office in this investigation.

Training in late May gave WL officers and firefighters the ability to deliver Narcan, a heroin/opiate overdose intervention drug, when they respond to a suspected overdose call for service. This public health initiative and public safety program was due in part to the overdose death of a Purdue student earlier this year.

Also in May, the department graduated 22 citizens from the Citizens Police Academy. The ten week program introduced participants to numerous functions of our department, including investigations, patrol, internal standards, firearms, media relations, special units and much more. Participants completed a ride-a-long with a patrol officer and took part in a mock crime scene with detectives at a hotel. The popular program will be available again in 2016.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Dombkowski".

Jason Dombkowski
Chief of Police
