SUBJECT: **SALARY ORDINANCE NO. 05-16 AND NO. 06-16**

At the February 1, 2016 Council Meeting, you approved amendments to Salary Ordinance No. 27-15 (Appointed Officers, Employees and Members of the Police and Fire Departments) and Salary Ordinance No. 28-15 (Wastewater Treatment Utility).

The amended salary ordinances (Salary Ordinance Nos. 05-16 and 06-16) require a couple of additional amendments in order to correctly reflect the intent of the following two departments.

Information Technology Department

Network Administrator – Both Salary Ordinances were previously amended to increase the maximum salary for the Network Administrator from \$2,184.84 to \$2,261.76. The intent was for the maximum range to be adjusted from \$2,184.84 to **\$2,305.54**, funded 60% from the General Fund and 40% from Wastewater.

Parks Department

Lilly Nature Center Director – The Salary Ordinance was previously amended to reflect a change in job title from the position of Stewardship Director to Lilly Nature Center Director and the minimum salary range was increased from \$1,563.93 to \$1,643.34. The Stewardship Director position should have remained as a line item since the title and salary change did not become effective until February 29, 2016.
