RE: October 2015 Monthly Report

During the month of October, the West Lafayette Police Department received **2,374 calls for service**, a decrease of 400 calls (14%) from September, and a decrease of 106 calls (4%) from October 2014.

Our continued focus on traffic enforcement in construction zones, school zones and congested areas by the traffic unit and the patrol division netted 137 school zone traffic stops and 836 total traffic stops in all areas of the city during the busy month of October. Officers worked numerous foot patrols and traffic posts during the two Purdue home football games this past month which resulted in fewer than 10 combined custodial arrests.

The police department was very active in community outreach this past month at the direction of Cindy Marion, our programs director. The department conducted a Women's RAD class where 15 women learned self-defense and self-empowerment skills from officers. Officers also participated in the annual Walk to School Day, the Red Ribbon Breakfast for the Drug-Free Coalition, Walk a Mile in Her Shoes for domestic violence awareness, and the .1K Run for breast cancer awareness, just to name a few.

Respectfully submitted,
