COMPREHENSIVE, DEFENSIBLE POLICY AND DAILY TRAINING | LEXIPOL.COM

LEXIPOL OVERVIEW

Policy Manual Development: Lexipol has created policy content that is specific to federal and to Indiana state law. This “master” content can then be customized by your agency. Your agency is prompted through interactive online software to develop policies standardized with regulatory requirements yet customized to the agency’s unique West Lafayette, philosophy and resource availability. The proprietary software allows efficient and accurate generation of a draft version of the manual from an online questionnaire.

Daily Training Bulletin Component: The training component consists of Lexipol’s Daily Training Bulletins. These give your department the ability to train and test employees on its policies and procedures. The DTBs consist of a brief scenario illustrating realistic circumstances officers typically encounter. Each scenario is linked to a policy, which puts the policy in an operational context and helps sworn personnel understand why the policy exists and how it applies to their daily tasks. The DTB system includes a brief test, which the officer must pass to be credited with the DTB training. Your policy administrator will receive DTB packages (via email) monthly, with each bulletin linked to a current policy. Your agency will also have the ability to create their own customized DTBs in the Lexipol system as you identify areas that require additional training.

Lexipol’s DTB training component allows you to track its training by officer, topic or policy. This information is archived electronically and can be produced immediately for current reports, or retrieved years later, thereby providing significant litigation and administrative support.

Unique Qualifications: Lexipol has established a unique set of risk management tools for public safety agencies by integrating agency-specific, customized policy manuals with the Daily Training Bulletin service. The Lexipol policy and training system has helped public safety agencies throughout Indiana and the country, reduce risk and stay ahead of litigation trends, while at the same time communicating clear and concise policy guidance to their employees.

Proprietary System and Tools: Approximately 150 policies based on federal standards and state statutes and case law, regulatory actions, and law enforcement best practices are available with our intuitive tool set. Your agency has full editing capability to customize the manual to reflect your agency’s West Lafayette and philosophy. Our system identifies the origin of the content and its relative importance. The final product is a professional, well organized, easy-to-read manual online in Lexipol’s Knowledge Management System and in hard copy. **There is no other system in the nation that incorporates all of these features at affordable annual subscription rates.**

Updates: Lexipol provides regular updates in response to legislative mandates, case law and evolution in best practices. We also provide client alerts in response to precedent-setting court decisions or events that call for immediate changes to policy. **These updates can be customized by your agency to reflect your agency's West Lafayette and philosophy.**

Adaptability: Our clients range from one to 3,500 sworn personnel and include municipal police departments, county sheriff offices, county district attorney offices, port police, probation departments, school district and university police, tribal police, state regulatory, fire and law enforcement agencies, federal agencies and military agencies.

Scale: Over 2,000 public safety organizations representing more than 100,000 law enforcement and fire personnel in 28 states use the Lexipol system. Our subscriber base is one of the largest private networks of public safety policy collaborators in the nation.

Archiving: Each version of your manual is archived on the Lexipol system. This is an invaluable resource in defense litigation or personnel matters that call for authenticated copies of policy or training records years after an incident.

Cost Effective Development: Most small to mid-sized agencies assign one officer to update and maintain their policy manual, which can consume 50% to 80% of the officer's time.

A typical officer does not have the experience or resources to translate statutes, case law and emerging trends into usable, defensible policy in patrol, investigations, traffic, property, custody or personnel. At Lexipol we proactively do this work for you, typically at less than 5% of the cost of an officer.

Ready Access: Many agencies describe their pre-Lexipol policy system as convoluted, reactive and not serving the agency well. Their employees have trouble accessing the policy system because the documents are contained in disparate silos of information.

Policy Training: The integrated Daily Training Bulletin component is a customized, scenario-based daily training program that links directly to the policy manuals. The Daily Training Bulletin program is standardized, verifiable, realistic, and ongoing training that links directly to your policy manual. Archiving of training records provides verifiable evidence of achieving specific learning objects.

Accreditation Feature: The Lexipol system is an excellent complement to those agencies seeking to obtain or maintain accreditation. The Lexipol system addresses the vast majority of accreditation requirements, but maintains flexibility with its customization features in order to stay current with court decisions and agency-specific changes.

Lexipol has a unique *accreditation feature*—a specialized system which allows mapping specific accreditation requirements within Lexipol policy sections and subsections. Agencies seeking to meet accreditation requirements simply activate this feature, and are able to add any accreditation standard that applies to that section. When used in conjunction with Lexipol’s easy-to-use editing tools, agencies can update policies to meet accreditation standards at their discretion.

Lexipol’s accreditation feature also aids in making the accreditation process easier with its reporting abilities. Reports can be quickly and accurately created to reflect current policy compliance with specified accreditation standards.

Training Support: Your assigned policy administrators may attend any and all online training sessions (which can be repeated as many times as necessary):

1. Knowledge Management System (KMS) Training – which is your portal for policy editing and development and
2. Project Management session – which will introduce your Policy Manager to the Lexipol Electronic Client Toolkit (ECT) and the Project Management Guide (PMG).

Our Project Management Guide and Electronic Toolkit are included in the Lexipol subscription fee, and will aid your agency in completing your manual in a timely fashion. Our Project Management Guide provides tips and guidelines on how to achieve this goal. The Electronic Toolkit contains a couple of “best practices” examples that may give your agency some ideas as to how others have implemented the manual.

Our Program Development and Customer Service teams are also available throughout the development process to provide guidance and answer questions.

EXHIBIT B

2. **Term and Termination.**

2.1 **Term.** This Agreement is effective upon the execution and delivery of this Agreement by both Lexipol and Agency, and shall continue in effect until the expiration of the Initial Term; provided, however, that the term of this Agreement will automatically be extended for successive one-year periods thereafter (each a Contract Year), unless either party gives written notice to the other party to the contrary not less than thirty (30) days prior to the expiration of the Initial Term or the then current Contract Year, as the case may be. Notwithstanding the foregoing, however, this Agreement will be subject to termination as provided in Section 2.2 below.

2.2 **Termination.** This Agreement may be terminated by either party, effective immediately, (a) in the event that the other party fails to discharge any obligation or remedy any default under this Agreement for a period of more than thirty (30) calendar days after it has been given written notice of such failure or default; or (b) in the event that the other party makes an assignment for the benefit of creditors or commences or has commenced against it any proceeding in bankruptcy, insolvency or reorganization pursuant to the bankruptcy laws of any applicable jurisdiction.

2.3 **Effect of Expiration or Termination.** Upon the expiration or termination of this Agreement, all of the rights granted to Agency by this Agreement to the subscriptions identified on Exhibit

A shall automatically terminate. The termination or expiration of this Agreement shall not, however, relieve either party from any obligation or liability that has accrued under this Agreement prior to the date of such termination or expiration. The right to terminate this Agreement pursuant to Section 2.2 above shall be in addition to, and not in lieu of, any other remedy, legal or equitable, to which the terminating party shall be entitled at law or in equity. The provisions of Sections 1 (Definitions), 4 (Copyright; Derivative Works; Lexipol's Ownership), 5 (Right to Use; Limitations on Use of Subscription Material and Derivative Works), 7 (Privacy Policy), 8 (Policy Adoption), 9 (Disclaimer of Liability), 10 (Limitation of Liability), 12 (Miscellaneous), and this Section 2.3 shall survive the expiration or termination of this Agreement for any reason whatsoever.

3. Subscription Fees, Etc.

3.1 Subscription Fee/Invoicing. Lexipol will invoice Agency at the commencement of the Subscription Service (Initial Term) and thirty (30) days prior to the date for each Contract Year (refer to 2.1 above). Agency will pay to Lexipol the subscription fee specified on Exhibit A within thirty (30) days following Agency's receipt of the invoice for such subscription and renewal fees. All invoices will be sent to Agency at the address for Agency specified on the cover sheet to which these General Terms and Conditions are attached. All payments will be made to Lexipol at the address for Lexipol specified on the cover sheet to which these General Terms and Conditions are attached. Lexipol reserves the right to increase pricing for subsequent Contract Years.

3.2 Taxes; Past Due Amounts. All amounts required to be paid under this Agreement, unless otherwise stated on Exhibit A, are exclusive of all taxes and similar fees now in force or enacted in the future imposed on the subscriptions purchased by Agency under this Agreement and/or delivery by Lexipol to Agency of Subscription Material, all of which Agency will be responsible for and will pay in full, except for taxes based on Lexipol's net income. In the event any amount owed by Agency is not paid when due, and such failure is not cured within ten (10) days after written notice thereof from Lexipol, then in addition to any other amount due, Agency shall pay a late payment charge on the overdue amount at a rate equal to the lower of (a) one percent (1%) per month, or (b) the highest rate permitted by applicable law.

4. Copyright; Derivative Works; Lexipol's Ownership. Agency acknowledges and agrees that the Subscription Material is a proprietary product of Lexipol, protected under U.S. copyright law, and that Lexipol reserves all rights not expressly granted in this Agreement. Subject to the terms and conditions contained in this Agreement, Lexipol hereby grants Agency the right to prepare Derivative Works, except as limited by the terms of this agreement; provided, however, that Agency acknowledges and agrees that Lexipol will be the sole owner of all right, title and interest in and to all Derivative Works prepared by or for Agency, including all copyrights and other intellectual property and proprietary rights therein or pertaining thereto, and Agency hereby assigns and transfers to Lexipol all right, title and interest in and to all Derivative Works prepared by or for Agency, including all copyrights and other intellectual property and proprietary rights therein or pertaining thereto. Agency will not remove from any copies of the Subscription Material provided by Lexipol to Agency any copyright notice or other proprietary notice of Lexipol appearing thereon, and shall include such copyright and other notices at the appropriate place on each copy of the Subscription Material and each copy of any Derivative Work made by or for Agency, in any form.

5. Right to Use; Limitations on Use of Subscription Material and Derivative Works. Subject to the terms and conditions contained in this Agreement, Lexipol hereby grants to Agency a perpetual, personal, fully paid-up, right to use, except as limited by the terms of this agreement the Subscription Material and any Derivative Works prepared by or for Agency, solely for the Agency's internal purposes. Agency will not use, copy, republish, lend, distribute, post on servers, transmit, redistribute, display, in whole or in part, by any means or medium, electronic or mechanical, or by any information storage and retrieval system, any Subscription Material or any Derivative Work prepared by or for Agency other than as expressly authorized by the immediately preceding sentence. Without limiting

the generality of the foregoing, Agency will not import, upload, or otherwise make available any Subscription Material or any Derivative Work prepared by or for Agency into or onto any third party knowledge, document, or other content management system or service without Lexipol's prior written consent. The foregoing does not, however, prohibit or restrict Agency from providing Subscription Material or Derivative Works prepared by or for Agency pursuant to an order from a court or other governmental agency or other legal process, or Freedom of Information Act (FOIA) request, or Public Records Act (PRA) request, nor does it prohibit or restrict Agency from displaying the adopted/approved final policy document on a publicly accessible website for official Agency purposes, so long as Agency includes the appropriate copyright and other proprietary notices on such final policy document as required by Section 4 above.

6. Account Security. Agency is solely responsible for maintaining the confidentiality of Agency's user name(s) and password(s) and the security of Agency's Account. Agency will not permit access to Agency's Account, or use of Agency's user name(s) and/or password(s) by any person or entity other than authorized Agency personnel. Agency will immediately notify Lexipol in writing if Agency becomes aware that any person or entity other than authorized Agency personnel has used Agency's Account or Agency's user name(s) and/or password(s).

7. Privacy Policy. Lexipol will hold all information Agency provides in confidence unless required to provide information in accordance with an order from a court or other governmental agency or other legal process such as a Freedom of Information Act (FOIA) request, or Public Records Act (PRA) request. Lexipol will use commercially reasonable efforts to ensure the security of information provided by Agency. Lexipol's system also uses Secure Socket Layer (SSL) Protocol for browsers supported by Lexipol application(s). SSL encrypts information as it travels between the Agency and Lexipol. However, Agency acknowledges and agrees that Internet data transmission is not always 100% secure and Lexipol does not warrant or guaranty that information Agency transmits utilizing the Lexipol system or online platform is 100% secure.

Agency acknowledges that Lexipol may provide view-only access and summary information (including but not limited to, status of number of policies developed or in development, percentage of staff reviews of developed policies, and percentage of DTBs taken) to the Agency's affiliated Risk Management Authority, Insurance Pool or Group, or Sponsoring Association, if they are actively funding their member Agencies' Subscription Fees.

8. Policy Adoption. Agency hereby acknowledges and agrees that any and all policies and Daily Training Bulletins (DTBs) included in the Subscription Material provided by Lexipol have been individually reviewed, customized and adopted by Agency for use by Agency. Agency further acknowledges and agrees that neither Lexipol nor any of its agents, employees or representatives shall be considered "policy makers" in any legal or other sense and that the chief executive of Agency will, for all purposes, be considered the "policy maker" with regard to each and every such policy and DTB.

9. Disclaimer of Liability. In developing the Subscription Materials, Lexipol has made a good faith effort to comply with all applicable statutes, case law and industry standards in effect at the time such Subscription Materials are provided to Agency. While Lexipol has made such a good faith effort, Agency acknowledges and agrees that Lexipol its officers, agents, managers, and employees will have no liability to Agency or any other person or entity arising from or related to the Subscription Materials, or any act or omission by Agency or its personnel pursuant to, or in reliance on, any of the Subscription Materials.

10. Limitation of Liability. Lexipol's cumulative liability to Agency and any other person or entity for any loss or damages resulting from any claims, demands, or actions arising out of or relating to this Agreement or the use of any Subscription Materials shall not exceed the subscription fees actually paid to Lexipol for the use of the Subscription Materials under this Agreement during the twelve-month period immediately prior to the assertion of such claim, demand or action. In no event shall Lexipol be liable for any indirect, incidental, consequential, special, or exemplary damages or lost profits, even if Lexipol has

been advised of the possibility of such damages. The limitations set forth in this Section shall apply whether Agency's claim is based on breach of contract, tort, strict liability, product liability or any other theory or cause of action.

11. Non-Transferability. The subscriptions and rights to use the Subscription Material granted by this Agreement are personal to Agency and Agency shall not assign or otherwise transfer the same to any other person or entity.

12. Confidentiality. From time to time during the term of this Agreement, a party may be required to disclose information to the other party that is marked "confidential" or the like, or that is of such a type that the confidentiality thereof is reasonably apparent ("Confidential Information"). The receiving party will: (a) limit disclosure of any Confidential Information of the other party to the receiving party's directors, officers, employees, agents and other representatives (collectively "Representatives") who have a need to know such Confidential Information in connection with the business relationship between the parties to which this Agreement relates, and only for that purpose; (b) advise its Representatives of the confidential nature of the Confidential Information and of the obligations set forth in this Agreement and require such Representatives to keep the Confidential Information confidential and to use it only as permitted by this Agreement; (c) keep all Confidential Information confidential by using a reasonable degree of care, but not less than the degree of care used by it in safeguarding its own confidential information; and (d) not disclose any Confidential Information received by it to any third party (except as otherwise provided for herein). Notwithstanding the foregoing, however, a party may disclose Confidential Information of the other party pursuant to any governmental, judicial, or administrative order, subpoena, discovery request, regulatory request, or Freedom of Information Act (FOIA) request, or Public Records Act (PRA) request, or similar method, provided that the party proposing to make any such disclosure will promptly notify, to the extent practicable, the other party in writing of such demand for disclosure so that the other party may, at its sole expense, seek to make such disclosure subject to a protective order or other appropriate remedy to preserve the confidentiality of the Confidential Information. Each party shall be responsible for any breach of this Section by any of such party's Representatives.

Miscellaneous.

13.1 Governing Law. This Agreement shall be construed in accordance with, and governed by, the laws of the State of California, without giving effect to any choice of law doctrine that would cause the law of any other jurisdiction to apply.

13.2 Entire Agreement. This Agreement embodies the entire agreement and understanding of the parties hereto and hereby expressly supersedes any and all prior written and oral agreements and understandings with respect to the subject matter hereof, including without limitation any and all agreements and understandings pertaining to the use of the Subscription Materials by Agency. No representation, promise, inducement, or statement of intention has been made by any party hereto that is not embodied in this Agreement. Terms and conditions set forth in any purchase order, or any other form or document of Agency, which are inconsistent with, or in addition to, the terms and conditions set forth in this Agreement, are hereby objected to and rejected in their entirety, regardless of when received, without further action or notification by Lexipol, and shall not be considered binding on Lexipol unless specifically agreed to in writing by it.

13.3 Headings. The captions and other headings contained in this Agreement are for convenience only and shall not be considered a part of or affect the construction and interpretation of any provision of this Agreement.

13.4 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document.

13.5 Amendment. No amendment, modification, or supplement to this Agreement shall be binding unless it is in writing and signed by the party sought to be bound thereby.

13.6 Attorneys' Fees. If any action is brought by either party to this Agreement against the other party regarding the subject matter hereof, the prevailing party shall be entitled to recover, in addition to any other relief granted, reasonable attorneys' fees and expenses of litigation.

13.7 General Interpretation. The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent. This Agreement shall be construed without regard to any presumption or rule requiring construction against the party causing such instrument or any portion thereof to be drafted, or in favor of the party receiving a particular benefit under the Agreement. No rule of strict construction will be applied against any person or entity.

13.8 Notices. Any notice required by this Agreement or given in connection with it, shall be in writing and shall be given by personal delivery, by certified mail, postage prepaid, or by recognized overnight delivery service to the appropriate party at the address of such party stated on the cover sheet to which these General Terms and Conditions are attached, or such other address as such party may indicate by a notice delivered to the other party in accordance with the terms of this Section. Alternatively, electronic mail or facsimile notice is acceptable when acknowledged by the receiving party.

13.9 Invalidity of Provisions. Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision hereof. Further, if a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable, then the parties agree that the court should endeavor to give effect to the parties' intention as reflected in such provision to the maximum extent possible.
