Exploring Your Psychic Abilities

Slow Flow Vinyasa

This gentle, deep approach to vinyasa links breath and movement as in a more typical vinyasa (or flow) class while bringing the element of time to the practice. Poses can be refined and strengthened, without feeling rushed into the next move, next breath, or next pose. Slow flow allows a person to become familiar with his or her body, create a reflective pause, and create the time to go inward. West Lafayette Parks & Recreation FOUNDATION

Our Mission: *"The West Lafayette Parks & Recreation Foundation was established to solicit, receive, and provide funds and/or property, and to receive gifts, benefits, and memorials for securing, maintaining, and informing the public about facilities and programs for West Lafayette Parks & Recreation."*

There is a way to ensure that our children and all future generations will continue to enjoy the parks and open spaces that enhance the quality of life in West Lafayette. Municipal funding priorities change from year to year. Imagine no open spaces, no trees and shrubbery growing on public lands, or no place to simply enjoy nature. The West Lafayette Parks & Recreation Foundation is a way to keep greenspaces a priority in our community.

Individuals may memorialize a family estate through a donation to the foundation. Owners of unique properties can protect the integrity of their land by donating it so that future generations may appreciate it as well.

For more information on the Foundation, you can write to the Board:

FINE PRINT: THINGS YOU SHOULD KNOW...

<p>REGISTER EARLY!</p> <p>Registering early helps us do a better job of serving you by preparing programs for the proper amount of participants. Most of our programs have a limit on the number of participants. We depend on your participation for a successful class. Early registration allows us to schedule the necessary session, add instructors when needed, and prepare supplies and materials.</p>	<p>SUPPLY LISTS</p> <p>Some of our classes require a supply list. Supplies should not be purchased until four business days prior to the start of the class. Most classes have a minimum number of registrants required to hold the class.</p>	<p>REFUND POLICY</p> <p>If we cancel a class, all fees will be refunded. If you cancel at least two business days prior to the start of the class, you may receive a refund less a \$5.00 processing fee. Because decisions to maintain classes are based on enrollment, no refunds will be granted within two business days of the first class. Refund claims will be processed at the next regularly scheduled City Board meeting. Refund checks will be mailed.</p>
<p>FACILITY RESERVATIONS</p> <p>The group and contact person listed on the rental confirmations are responsible for all damages to City of West Lafayette property or equipment and for full compliance with the Department's rules and regulations. Failure to completely follow the rules and regulations may result in immediate suspension of the activity in the facility and the forfeiture of future facility rental privileges.</p>	<p>NO RECEIPTS MAILED</p> <p>No confirmations will be sent. Assume you are registered unless you are notified. If you need a receipt, send along a self-addressed stamped envelope OR include your email address a receipt will be emailed..</p>	
<p>INSTRUCTORS</p> <p>Our instructors are independent contractors. The curriculum is determined by the instructor.</p> <p>Need an accommodation or assistance for a program or event? If possible, please contact us two (2) weeks prior to the program or event.</p>	<p>Photo Disclaimer</p>  <p>Participants of programs events permit the taking of photos for themselves and their children during the activities for publication in the program brochure, website, and additional uses, as the Parks and Recreation Department deems necessary.</p>	

Brochures are published three times per year — April, August, and December.
