5. Action Items/Updates:
 - a. Educational Outreach – Lindsey, can we do something like Science on Tap?
Dante – Ecological Science & Engineering yearly symposium, run by 2nd year students, on a topic of their choosing. They arrange speakers, panels, lectures & discussion. Food served. Theme this year is “Polarization – A forum on extreme and radical thought in our environment, society and technology”, Sept 28, 29. In Discovery Park, keynote evening of 28th, art show. 10th yr of event. See <http://www.purdue.edu/gradschool/ese/symposium/>. Suggestion to work through ESE grad student organization, possibly coordinate on educational event in future, green drinks type of thing. Possible topics – west end development, bike lanes and right of ways, plastic bags, state packaging legislation. Diane will contact who in city, university can address State St project, “development with cycling in mind.” Lindsey & Bill help with logistics.
 - b. Garden Award – Parr – Dan Lybrook and Lisa Pantea next garden award, corner of Smiley & Salisbury, they will get Parr a write-up. Betina needs by 4 Oct. for November newsletter. Bill take high res photo of their property, get to Parr. Lasting memento for award winners, Nicole to follow up on that.
