RE: December 2016 Monthly Report

During the month of December the West Lafayette Police Department received 2311 calls for service, a decrease of 110 calls from November and an increase of 361 calls from December 2015.

The WLPD continued to maintain a high level of presence in and around our busy roadways and construction zones. WLPD Officers conducted 778 traffic stops in the month of December. One particular traffic stop in early December produced an active methamphetamine lab, 40 grams of methamphetamine, nearly 100 pseudoephedrine pills, and \$2000 cash.

The WLPD continued its service to the community by conducting Rape Aggression Defense (RAD) training for 25 women at the St. Thomas Aquinas Center. Also conducted was a Self Defense Awareness and Familiarization Exchange (SAFE) training for 6 women at the WLPD. This 2 hour victim prevention program encompasses Strategies, Techniques, Options, and Prevention that provides teenaged and adult women with information that may reduce their risk of exposure to violence. Additional RAD and SAFE training will be offered to the public in early 2017.

Respectfully,

  
Troy Harris  
Deputy Chief of Police
