

The following is an important message from Duke Energy.

Duke Energy will be performing repairs to electrical equipment serving your area on Friday, October 27<sup>th</sup>. In order to perform these repairs, your electric service will be interrupted for approximately six hours, beginning at 9:00 AM.

These repairs are needed to ensure the continuous delivery of safe and reliable electric service to Duke Energy customers.

Please note, if Duke Energy is unable to perform this work on Friday, October 27<sup>th</sup> it will be rescheduled for Monday, October 30<sup>th</sup>.

We regret any inconveniences this interruption may cause. If you have any questions, please contact Duke Energy Customer Care Operations at 1-800-521-2232.

**Please Note: This may impact some businesses during their business hours.**

**The outage will be in the Lafayette district on the Cincinnati St 1218 circuit. It will impact approximately 57 customers on pole 027-412 near the corner of North and Northwestern Ave.**
