1. Choose a specific location and date for your event. You are encouraged to choose an alternative location and/or date in the event that your first choice is not available. If you are unsure whether or not an application is required for your event, please call (765) 775-5110.
2. Complete all sections of the West Lafayette Parks and Recreation Department (WLPRD) Special Event application. All proposed activities and events are subject to the approval of the WLPRD and may require approval by the West Lafayette Park Board (WLPB). The W.L. Park Board meets monthly – please contact us for meeting dates and location. Any advertising, vendors or sales may need approval from the West Lafayette Park Board (WLPB).
3. Submit the completed application by U.S. mail, delivery in person, fax or email. If submitting by e-mail or fax, call to confirm receipt if you don't receive a response. Submittal of an application does not grant you a permit or confirmation to conduct your planned event; all applications are subject to review. Completed applications with requested documentation and/or additional information must be submitted at least six weeks prior to your event; otherwise, applications will be denied or late fees may apply.
Please note: Applications will be processed beginning January 10 (or the first business day after 1/10), of the current year beginning at 8:00a.m. Applications submitted by mail, email and fax, and all applications received prior to 8:00a.m. on January 10, will not be processed until January 10.
4. Upon receiving your completed application, the WLPRD will contact you to inform you of the status of your application. You will be informed of fees that must be paid along with any additional documentation requirements (i.e. certificate of insurance). The WLPRD reserves the right to require additional information or documentation regarding the applicant, applicants company, sponsoring company/organization, cosponsors, event participants, event vendors, event activities, or the event itself. Moreover, the WLPRD may postpone approval of event permits until receipt of additional requested information or documentation. Failure to submit requested information or documentation in a timely manner may be cause for denial of a park special event. Facilities will be tentatively reserved until event has been approved by WLPRD.
