For the safety of the citizens and employees, the City of West Lafayette is strongly encouraging everyone to follow the recommended practices outlined by the Tippecanoe County Health Department below. These actions may seem extreme but if we take steps now that are preventive we protect the most vulnerable among our citizenry while still providing services to the community.

Beginning today, March 13, 2020, we ask that all payments to the city be made online, via postal mail or left in the secure payment drop box at the city parking lot, located at 2329 N Salisbury Street. For your benefit and the benefit of our staff, we will not take in person payments until further notice.

We are in unique times and ask that all citizens be flexible. This is a fluid situation and we will keep you informed as we learn new information. Thank you for your understanding. I am proud of our community and know you will all do what's best for the greater good.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Dennis". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

John R. Dennis
Mayor
